This Hospital Designation Agreement, effective as of January 1, 2020 together with any Annex(es) attached hereto (collectively, “Agreement”), is entered into by and between the County of Santa Clara (the “COUNTY”) and Saint Louise Regional Hospital (the “HOSPITAL”). HOSPITAL and COUNTY may be herein referred to individually as “party” and collectively as “parties.”

WHEREAS COUNTY wishes to assure the highest quality of care by directing acute patients to facilities committed to receiving and appropriately treating prehospital patients;

WHEREAS COUNTY has found that HOSPITAL meets COUNTY criteria for receiving and treating acute, prehospital patients;

WHEREAS HOSPITAL is willing to accept designation as a 9-1-1 EMS Receiving Center, STEMI Receiving Center, Stroke Center, Adult Trauma Center, and/or Pediatric Trauma Center (as described in the applicable Annex(es)); and

WHEREAS HOSPITAL, by virtue of the parties’ execution of this Hospital Designation Agreement and the attached Annex(es), shall be designated by COUNTY as a 9-1-1 EMS Receiving Center, STEMI Receiving Center, Stroke Center, Adult Trauma Center, and/or Pediatric Trauma Center;

NOW, THEREFORE, in consideration of the recitals and the mutual obligations of the parties expressed herein and other good and valuable consideration, COUNTY and HOSPITAL do hereby expressly agree as follows:

1. DEFINITIONS

For purposes of this Agreement:

- A. “Assignment” and “Delegation” mean any sale, gift, pledge, hypothecation, encumbrance, or other transfer of all or any portion of the rights, obligations, or liabilities in or arising from this Agreement to any person or entity, whether by operation of law or otherwise, and regardless of the legal form of the transaction in which the attempted transfer occurs.
- B. “Cause” includes, but is not limited to, the following:

- (2) Failure of HOSPITAL to provide timely physician coverage for patients transported to HOSPITAL pursuant to this Agreement, causing unnecessary risk of mortality or morbidity, as determined by COUNTY;

- (4) Falsification of information or data supplied by HOSPITAL to COUNTY;
- (5) Acceptance by the HOSPITAL or HOSPITAL'S employees of any bribe, kickback or consideration of any kind in exchange for any consideration whatsoever, when such consideration or action on the part of the HOSPITAL or HOSPITAL'S employees could be reasonably construed as a violation of federal, state or local law.
- (6) Failure by HOSPITAL to strictly observe any provision in this Agreement;
- (7) Failure by HOSPITAL to remedy recurring malfunction, staff shortages, response delays, facility problems leading to diversion of ambulances or excessive ambulance patient offload times; and
- (8) The HOSPITAL is adjudged to be bankrupt or has a general assignment for the benefit of its creditors, or a receiver is appointed on account of HOSPITAL'S insolvency.

C. "EMS Agency" means the COUNTY'S Emergency Medical Services Agency.

D. "EMS System" means the emergency medical services system operated by the EMS Agency to provide personnel, facilities, and equipment for the effective and coordinated delivery of medical care services under emergency conditions in the COUNTY.

2. **TERM**

This Hospital Designation Agreement shall be valid for a period of five years, beginning on January 1, 2020 and continuing until December 31, 2024, unless earlier terminated pursuant to this Hospital Designation Agreement. Any Annex entered into pursuant to this Hospital Designation Agreement shall be valid from the date of mutual execution of the Annex until the earliest of (1) expiration of this Hospital Designation Agreement, (2) termination of this Hospital Designation Agreement, or (3) termination of the Annex.

3. **DESIGNATION FEES**

A. Amount of Fee(s)

In exchange for designation as a 9-1-1 EMS Receiving Center, STEMI Receiving Center, Stroke Center, Adult Trauma Center, and/or Pediatric Trauma Center, HOSPITAL shall pay COUNTY in accordance with the COUNTY Board of Supervisors' approved fee schedule, as may be amended by the COUNTY from time to time, together with any

fee(s) identified in the attached Annex(es). The fee(s) shall be used to pay the cost to the EMS Agency of administering and evaluating the 9-1-1 EMS Receiving Center system, STEMI Receiving Center system, Stroke Center system, and/or Trauma Center system, as applicable.

B. Payment of Fee(s)

Fee(s) shall be paid in full within thirty (30) calendar days of receipt of an invoice from the COUNTY.

4. DISCLAIMER

HOSPITAL acknowledges that COUNTY makes no representation, and does not guarantee that any patients will be delivered, directed, or diverted to HOSPITAL for care pursuant to this Agreement and cannot assure that a minimum number of patients will be delivered to HOSPITAL during the term of this Agreement.

5. OBLIGATIONS OF HOSPITAL

- A. HOSPITAL shall comply with all HOSPITAL obligations set forth in the attached Annex(es).
- B. HOSPITAL shall comply with all standards criteria identified within this Agreement, as well as all applicable EMS Agency policies and procedures, as amended from time to time, including but not limited to the Santa Clara County Prehospital Care Policy Manual.
- C. Any transfer of a patient must be in accordance with the Emergency Medical Treatment and Active Labor Act (42 U.S.C § 1395dd), the regulations promulgated thereunder, and applicable EMS Agency policies and procedures, including but not limited to the Santa Clara County Prehospital Care Policy Manual, as amended from time to time.
- D. HOSPITAL shall maintain an adequate number of physicians, surgeons, nurses, and other medical staff possessing that degree of learning and skill ordinarily possessed by medical personnel practicing in the same or similar circumstances.
- E. HOSPITAL shall provide, at HOSPITAL's sole expense, all persons, employees, supplies, equipment, and facilities needed to perform the services required under this Agreement. All such services will be performed by HOSPITAL, or under HOSPITAL's supervision by persons authorized by HOSPITAL to perform such services.
- F. HOSPITAL shall immediately notify the EMS Agency of any circumstances that will prevent HOSPITAL from providing the services described in this Agreement.
- G. HOSPITAL shall comply with any EMS Agency plan of correction, regarding any identified failure to meet any standards identified in this Agreement, within the timeframes established by the EMS Agency.

H. Required Designation as a 9-1-1 EMS Receiving Center

As a condition of obtaining and maintaining designation as a STEMI Receiving Center, Stroke Center, Adult Trauma Center, or Pediatric Trauma Center, HOSPITAL shall obtain and maintain designation as a 9-1-1 EMS Receiving Center.

I. Licensing and Accreditation

- (1) HOSPITAL shall possess a current California Department of Public Health license for basic or comprehensive emergency service.
- (2) HOSPITAL shall maintain accreditation by the Joint Commission.
- (3) HOSPITAL shall notify COUNTY within 24 hours any time that HOSPITAL becomes aware that HOSPITAL is not in compliance with any applicable federal, state, or local laws, rules, regulations, policies or procedures related to performance of services under this Agreement. Such notice shall indicate the reason(s), date(s), and time(s) for non-compliance and corrective actions that are being taken to resolve the violation. The COUNTY shall determine, in its sole and absolute discretion, whether the HOSPITAL may continue to receive patients pursuant to this Agreement during the period that corrective actions are underway.

J. Compliance With All Laws and Regulations

HOSPITAL shall comply with all laws, codes, regulations, rules and orders applicable to its performance under this Agreement, including but not limited to applicable EMS Agency policies and procedures such as the Santa Clara County Prehospital Care Policy Manual, as amended from time to time.

K. Data Collection/Records

- (1) HOSPITAL shall maintain patient care, revenue, and expenditure data during the term of this Agreement and for a period of seven (7) years from the termination of this Agreement or until all claims, if any, have been resolved, whichever period is longer, or longer of otherwise required under other provisions of this Agreement. Such records shall be maintained in such a fashion as to be able to separately identify patients served pursuant to each Annex to this Agreement.
- (2) HOSPITAL shall participate in an electronic data exchange with the EMS Agency. This data shall consist of pre-hospital patient care data coming into the hospital's electronic health record (EHR) system, as well as patient outcome data and billing data being sent back to the EMS Agency's electronic patient care record (ePCR) solution.
- (3) HOSPITAL shall provide patient outcome data to the EMS Agency through a Hospital Information Exchange (HIE) solution if the EMS Agency adopts and implements such a solution.
- (4) HOSPITAL shall provide insurance/billing information on 9-1-1 EMS patients transported to the HOSPITAL, to the ambulance company that transported the patient to the facility at time of transport, if possible.

- (5) HOSPITAL shall participate in data collection and evaluation studies conducted by the EMS Agency, including but not limited to clinical outcomes, upon request from the EMS Agency.
- (6) HOSPITAL shall submit reports to EMS Agency quarterly or as requested.
- (7) Specific to non-trauma center hospitals: If HOSPITAL is not designated by COUNTY as a Pediatric Trauma Center or Adult Trauma Center, HOSPITAL shall submit specific outcome data quarterly for all patients who are transported by ambulance to the HOSPITAL and then admitted to the HOSPITAL with an ICD-9 (or subsequent ICD-10) injury code between 800-959.9 if they meet COUNTY's prehospital major trauma criteria. It is preferable for a non-trauma center hospital to transfer patients who meet major trauma criteria to a Pediatric Trauma Center or Adult Trauma Center, as applicable. If a non-trauma center hospital receives and admits patients who meet COUNTY's prehospital major trauma criteria, the EMS Agency may require the hospital to submit additional outcome information. This information may include but is not limited to: nature and extent of injuries, diagnostic tests performed, treatment, surgical procedures, unplanned readmissions, complications, ED and hospital disposition data, mortality rates and length of stay. These reports shall be incorporated into the Santa Clara County Trauma Registry.

6. OBLIGATIONS OF COUNTY

- A. COUNTY shall comply with all COUNTY obligations set forth in the attached Annex(es).
- B. COUNTY shall provide or cause to be provided to HOSPITAL system data related to prehospital care that COUNTY determines shall contribute to continuous quality improvement, provided, however, that this subsection shall not confer any right to HOSPITAL to receive or demand system data from COUNTY.
- C. COUNTY shall develop and promulgate medical control policies and EMS System procedures consistent with applicable federal and state statutes and regulations, and COUNTY ordinances.
- D. COUNTY shall administer and coordinate the EMS System consistent with the Emergency Medical Services System and the Prehospital Emergency Medical Care Personnel Act, codified in California Health and Safety Code Division 2.5.
- E. COUNTY shall use its best efforts to procure funding to maintain the EMS System, including actively seeking grant funding at the federal, state, and local levels.
- F. COUNTY shall provide HOSPITAL with standardized EMS System policies and/or protocols as contained in the Santa Clara County Prehospital Care Policy Manual, as may be amended from time to time.
- G. COUNTY shall develop and coordinate a comprehensive EMS data collection system, in consultation with various EMS System stakeholder committees and HOSPITAL, which

includes required data elements, data analysis, report generation, and other details related to evaluating and ensuring the quality of the EMS System.

- H. COUNTY shall develop EMS policies and procedures, clinical protocols and other EMS plans based on the processes described in the EMS Policies and Procedures Manual, as may be revised from time to time by COUNTY. Whenever reasonably possible, COUNTY shall provide HOSPITAL with adequate time to plan, budget and train personnel affected by changes in EMS policies, procedures, clinical protocols or other EMS plans.
- I. COUNTY shall not be liable for any costs or expenses incurred by HOSPITAL to satisfy HOSPITAL's responsibilities under this Agreement, including any costs or expenses incurred by HOSPITAL for services provided to patients lacking the ability to pay for services.

7. MUTUAL COOPERATION

It is agreed that mutual non-competition among facilities that have entered into Hospital Designation Agreements with COUNTY, as well as their associated helicopter services, is vital to providing optimal medical care under the EMS System. In furtherance of such cooperation, HOSPITAL agrees to provide access to the helipad, if any, located at HOSPITAL to all helicopter services, to the extent necessary to triage and/or transport patients to HOSPITAL pursuant to this Agreement. HOSPITAL shall not charge helicopter services for such landing privileges.

8. OWNERSHIP, PUBLICATION, REPRODUCTION AND USE OF MATERIALS

HOSPITAL agrees to meet with all other facilities that have entered into agreements with COUNTY to provide the services described in the attached Annex(es) in order to establish guidelines concerning the publication and use of data relating to the system for providing those services and any other such facility. By way of example, if HOSPITAL has executed an Annex for designation as an Adult Trauma Center or Pediatric Trauma Center, HOSPITAL shall meet with all other Trauma Centers designated by the COUNTY in order to establish guidelines concerning the publication and use of data relating to the trauma system and any other Trauma Center. COUNTY shall note HOSPITAL's contribution of data to any materials, within such materials, that are published or issued as result of this Agreement. Each party shall note the other party's contribution of data to any materials, within such materials, published or issued as a result of this Agreement.

9. ADVERTISING, MARKETING AND INFORMATION

Prior to publicly releasing any marketing materials primarily related to the provision of services covered under this Agreement, HOSPITAL shall provide COUNTY the opportunity to comment on and approve any such marketing materials. HOSPITAL shall not represent itself to be the EMS System, a 9-1-1 EMS Receiving Center, a Stroke Center, an Adult Trauma Center, a Pediatric Trauma Center, or a STEMI Receiving Center unless designated by the COUNTY pursuant to this Agreement.

10. PERFORMANCE MONITORING

The EMS Agency and its authorized representatives shall be entitled to monitor, assess, and evaluate HOSPITAL's performance pursuant to this Agreement. To the extent permitted by law, such monitoring, assessments, or evaluations shall include, but not be limited to, audits, inspection of premises, review of reports, review of patient records, and interviews of HOSPITAL's staff and patients. At any time during normal business hours, as often as the EMS Agency may deem necessary, and to the extent permitted by law, HOSPITAL shall make available to the EMS Agency, upon the EMS Agency's request, all of HOSPITAL's records with respect to all matters covered by this Agreement.

11. DEBARMENT

HOSPITAL certifies that (i) employees who provide services hereunder have not been convicted of a criminal offense related to health care and that they are not listed by any federal or state agency as debarred, excluded or otherwise ineligible for participation in federal or state funded health care programs; (ii) HOSPITAL has performed an appropriate screen of these employees prior to making this certification; and (iii) it shall screen all new employees who provide services under this Agreement. HOSPITAL certifies that HOSPITAL has not been convicted of a criminal offense related to health care, nor is HOSPITAL listed by any federal or state agency as debarred, excluded or otherwise ineligible for participation in federal or state funded health care programs. HOSPITAL agrees that if any of its employees providing services under this Agreement are convicted of a crime related to health care or debarred, such employees shall be removed from any responsibility or involvement in the provision of services under this Agreement once the criminal conviction or debarment is final. HOSPITAL shall notify COUNTY of the pendency of such charges or proposed debarment or exclusion against it or against HOSPITAL's employees. HOSPITAL shall indemnify, defend and hold harmless COUNTY for any loss or damage resulting from HOSPITAL's or HOSPITAL's employees' criminal conviction, debarment or exclusion.

12. CONFLICTS OF INTEREST

HOSPITAL acknowledges that ambulances shall be directed by EMS Agency policies and procedures. Neither HOSPITAL nor COUNTY shall exert any direct or indirect influence that would cause or contribute to the diversion of an ambulance in violation of EMS Agency policies and procedures. HOSPITAL and COUNTY shall comply with all applicable federal, state, and local conflict of interest laws and regulations.

13. CONFIDENTIALITY

The parties agree to maintain the confidentiality of all patient information and records obtained in the course of providing services under this Agreement, in accordance with all applicable federal and state statutes and regulations and local ordinances. Such information shall be divulged only as provided by law. COUNTY agrees that it is a "Health Oversight Agency" under HIPAA and, therefore, a Business Associate Agreement is not necessary. Nothing in this Agreement shall require HOSPITAL to provide or disclose to COUNTY, or anyone else, the following: (a) documents generated solely in anticipation of malpractice

litigation, and (b) documents by, or for the use of, any medical staff committee having the responsibility of evaluation and improvement of the quality of care rendered in the hospital.

Nothing in this Agreement shall require HOSPITAL to provide or disclose to COUNTY, or anyone else, the following: (a) documents generated solely in anticipation of malpractice litigation, and (b) documents by, or for the use of, any medical staff committee having the responsibility of evaluation and improvement of the quality of care rendered in the hospital (hereafter, "Medical Staff Committee Documents".) In the event that HOSPITAL in its discretion chooses to share Medical Staff Committee documents or the contents thereof with County, County acknowledges that such documents may be protected under California Evidence Code Section 1157 and agrees to strictly maintain the confidentiality of documents protected under Evidence Code Section 1157.

14. INDEMNIFICATION AND INSURANCE

HOSPITAL and COUNTY shall comply with the applicable indemnification and insurance provisions attached as Exhibit A.

15. DISPUTE RESOLUTION

- A. HOSPITAL shall identify specific individuals and provide their contact information for those who are authorized to assist the EMS Agency with dispute resolution under this Agreement.
- B. HOSPITAL shall respond to written requests of the EMS Agency for information regarding any perceived dispute within five (5) business days, unless otherwise mutually agreed, following receipt of such request.
- C. HOSPITAL is encouraged to resolve normal day-to-day operational concerns directly with involved parties, such as other EMS System providers and hospitals. If a dispute is not resolved at this level, the HOSPITAL may refer the dispute to the Director of the EMS Agency for further review and action.

16. TERMINATION

- A. Termination without Cause. Either party may terminate this Agreement, either in whole or in part, for convenience at any time without penalty or liability by giving 180 days prior written notice specifying the effective date and scope of such termination.
- B. Termination for Cause.
 - (1) In the event of a condition or circumstance constituting Cause for termination, the COUNTY shall have all rights and remedies available at law or in equity under this Agreement, including the right to terminate this Agreement, either in whole or in part.
 - (2) If COUNTY determines that Cause exists for potential termination of this Agreement, either in whole or in part, the COUNTY shall provide reasonable notice to HOSPITAL of the Cause. HOSPITAL shall have up to thirty (30) days to either cure

the default or provide evidence to the reasonable satisfaction of the COUNTY that Cause for termination does not exist. If HOSPITAL has not cured the default, or if the default cannot be reasonably cured, within the 30 day cure period, COUNTY may, at its option, decide whether to (a) give HOSPITAL additional time to cure while retaining the right to immediately terminate at any point thereafter for cause; or (b) terminate immediately for Cause.

- (3) In the event that the COUNTY determines that the Cause for termination poses a danger to public health or safety, the COUNTY may, in its sole and absolute discretion, decide not to allow HOSPITAL to have a cure period and immediately terminate this Agreement, either in whole or in part, without penalty upon issuing either oral or written notice to HOSPITAL.

C. Consequences of Termination. In the event of COUNTY's termination of this Agreement, either in whole or in part, the HOSPITAL shall be liable for costs, if any, incurred by the COUNTY because of HOSPITAL's default. HOSPITAL shall promptly reimburse the COUNTY for the full amount of its liability, or, at COUNTY's option, the COUNTY may offset such liability from any payment due to HOSPITAL under any contract with the COUNTY.

17. BUDGETARY CONTINGENCY

Performance and/or payment by the COUNTY pursuant to this Agreement is contingent upon the appropriation of sufficient funds by the COUNTY for services covered by this Agreement. If funding is reduced or deleted by the COUNTY for services covered by this Agreement, the COUNTY may, at its option and without penalty or liability, terminate this Agreement or offer an amendment to this Agreement indicating the reduced amount.

18. ASSIGNMENT AND DELEGATION

HOSPITAL shall not assign any of its rights or delegate any of its duties under this Agreement, either in whole or in part, without the prior written consent of COUNTY. No Assignment or Delegation shall release HOSPITAL from any of its obligations or alter any of its obligations to be performed under the Agreement. This provision shall not be applicable to services agreements or contracts or similar arrangements usually and customarily entered into by medical facilities to obtain or arrange for professional medical services, administrative support, equipment, supplies or technical support.

19. COMPLIANCE WITH ALL LAWS, INCLUDING NONDISCRIMINATION, EQUAL OPPORTUNITY AND WAGE THEFT PREVENTION

- (1) Compliance with All Laws. Contractor shall comply with all applicable Federal, State, and local laws, regulations, rules, and policies (collectively, "Laws"), including but not limited to the non-discrimination, equal opportunity, and wage and hour Laws referenced in the paragraphs below.

- (2) Compliance with Non-Discrimination and Equal Opportunity Laws: Contractor shall comply with all applicable Laws concerning nondiscrimination and equal opportunity in employment and contracting, including but not limited to the following: Santa Clara County's policies for contractors on nondiscrimination and equal opportunity; Title VII of the Civil Rights Act of 1964 as amended; Americans with Disabilities Act of 1990; the Age Discrimination in Employment Act of 1967; the Rehabilitation Act of 1973 (Sections 503 and 504); the Equal Pay Act of 1963; California Fair Employment and Housing Act (Gov. Code § 12900 et seq.); California Labor Code sections 1101, 1102, and 1197.5; and the Genetic Information Nondiscrimination Act of 2008. In addition to the foregoing, Contractor shall not discriminate against any subcontractor, employee, or applicant for employment because of age, race, color, national origin, ancestry, religion, sex, gender identity, gender expression, sexual orientation, mental disability, physical disability, medical condition, political belief, organizational affiliation, or marital status in the recruitment, selection for training (including but not limited to apprenticeship), hiring, employment, assignment, promotion, layoff, rates of pay or other forms of compensation. Nor shall Contractor discriminate in the provision of services provided under this contract because of age, race, color, national origin, ancestry, religion, sex, gender identity, gender expression, sexual orientation, mental disability, physical disability, medical condition, political beliefs, organizational affiliations, or marital status.
- (3) Compliance with Wage and Hour Laws: Contractor shall comply with all applicable wage and hour Laws, which may include but are not limited to, the Federal Fair Labor Standards Act, the California Labor Code, and, if applicable, any local minimum wage, prevailing wage, or living wage Laws.
- (4) Definitions: For purposes of this section, the following definitions shall apply. A "Final Judgment" shall mean a judgment, decision, determination, or order (a) which is issued by a court of law, an investigatory government agency authorized by law to enforce an applicable Law, an arbiter, or arbitration panel and (b) for which all appeals have been exhausted or the time period to appeal has expired. For pay equity Laws, relevant investigatory government agencies include the federal Equal Employment Opportunity Commission, the California Division of Labor Standards Enforcement, and the California Department of Fair Employment and Housing. Violation of a pay equity Law shall mean unlawful discrimination in compensation on the basis of an individual's sex, gender, gender identity, gender expression, sexual orientation, race, color, ethnicity, or national origin under Title VII of the Civil Rights Act of 1964 as amended, the Equal Pay Act of 1963, California Fair Employment and Housing Act, or California Labor Code section 1197.5, as applicable. - (5) **Prior Judgments, Decisions or Orders against Contractor:** By signing this Agreement, Contractor affirms that it has disclosed any final judgments that (A) were issued in the five years prior to executing this Agreement by a court, an investigatory government agency, arbiter, or arbitration panel and (B) found that Contractor violated an applicable wage and hour law or pay equity law. Contractor further affirms that it has satisfied and complied with – or has reached Agreement with the County regarding the manner in which it will satisfy – any such final judgments.
- (6) **Violations of Wage and Hour Laws or Pay Equity Laws During Term of Contract:** If at any time during the term of this Agreement, Contractor receives a Final Judgment rendered against it for violation of an applicable wage and hour Law or pay equity Law, then Contractor shall promptly satisfy and comply with any such Final Judgment. Contractor shall inform the Office of the County Executive-Office of Countywide Contracting Management (OCCM) of any relevant Final Judgment against it within 30 days of the Final Judgment becoming final or of learning of the Final Judgment, whichever is later. Contractor shall also provide any documentary evidence of compliance with the Final Judgment within 5 days of satisfying the Final Judgment. Any notice required by this paragraph shall be addressed to the Office of the County Executive-OCCM at 70 W. Hedding Street, East Wing, 11th Floor, San José, CA 95110. Notice provisions in this paragraph are separate from any other notice provisions in this Agreement and, accordingly, only notice provided to the Office of the County Executive-OCCM satisfies the notice requirements in this paragraph.
- (7) **Access to Records Concerning Compliance with Pay Equity Laws:** In addition to and notwithstanding any other provision of this Agreement concerning access to Contractor’s records, Contractor shall permit the County and/or its authorized representatives to audit and review records related to compliance with applicable pay equity Laws. Upon the County’s request, Contractor shall provide the County with access to any and all facilities and records, including but not limited to financial and employee records, that are related to the purpose of this Section, except where prohibited by federal or state laws, regulations or rules. County’s access to such records and facilities shall be permitted at any time during Contractor’s normal business hours upon no less than 10 business days’ advance notice.
- (8) **Pay Equity Notification:** Contractor shall (1) at least once in the first year of this Agreement and annually thereafter, provide each of its employees working in California and each person applying to Contractor for a job in California (collectively, “Employees and Job Applicants”) with an electronic or paper copy of all applicable pay equity Laws or (2) throughout the term of this Agreement, continuously post an electronic copy of all applicable pay equity Laws in conspicuous places accessible to all of Contractor’s Employees and Job Applicants.

(9) **Material Breach:** Failure to comply with any part of this Section shall constitute a material breach of this Agreement. In the event of such a breach, the County may, in its discretion, exercise any or all remedies available under this Agreement and at law. County may, among other things, take any or all of the following actions:

- (i) Suspend or terminate any or all parts of this Agreement.
- (ii) Withhold payment to Contractor until full satisfaction of a Final Judgment concerning violation of an applicable wage and hour Law or pay equity Law.
- (iii) Offer Contractor an opportunity to cure the breach.

(10) **Subcontractors:** Contractor shall impose all of the requirements set forth in this Section on any subcontractors permitted to perform work under this Agreement. This includes ensuring that any subcontractor receiving a Final Judgment for violation of an applicable Law promptly satisfies and complies with such Final Judgment.
